

# **WOMEN'S HEALTH & CANCER RIGHTS ACT (WHCRA) ENROLLMENT NOTICE**

Do you know that your plan, as required by the Women's Health and Cancer Rights Act 1998, provides benefits for mastectomy-related services including all stages of all stages of reconstruction and surgery to achieve symmetry between the breast, prostheses, and complications resulting from a mastectomy, including a mastectomy, including lymphedema? Call your plan administrator at 775-328-2081 for more information.
